The TAU which is located in Guyana, the only English speaking country in South America, “offers health science programmes with a high level of professionalism, exactness and problem solving skills, which facilitates further education and development of graduates’ knowledge throughout their lives”.

The Student Affairs Officer for Regional Office, Nigeria, Mr. Jamiu Sekoni-Dairo, said the Regional Office assists interested students and parents willing to study in TAU “for smooth admission processing, transfer system and traveling arrangement”, as well as works closely with government regulatory bodies in Nigeria.
